

Call for Papers

2019 Experimental Research in Management Accounting Conference

funded by the Chartered Institute of Management Accountants (CIMA)

University of Bayreuth, Germany, 11–12 July 2019

AIMS AND SCOPE

The Experimental Research in Management Accounting (EXRIMA) Conference aims at bringing together experimental researchers in the field of management accounting from all over the world. The conference focus on a single research method and a single subject results in highly valuable feedback. Only up to six papers are accepted for presentation to allow for in-depth discussion by the discussant assigned to each paper as well as sufficient room for interaction with the audience. The conference atmosphere also supports networking.

TRAVEL GRANTS, NO FEES

Financial support of the EXRIMA conference by the Chartered Institute of Management Accountants (CIMA) is gratefully acknowledged. It enables us to offer participation free of charge (accommodation, travel, selected meals, etc. not included). Presenters from outside Germany can opt for travel grants. Travel grants are 400 euros for Europe and 1,000 euros for outside Europe.

VENUE

The 2019 Summer School on Experimental Research in Management Accounting will be held at the University of Bayreuth, Universitätsstraße 14-16, 95447 Bayreuth, Germany. Bayreuth is located around one hour away from Nuremberg and can be reached from Munich Airport or Frankfurt Airport by car or public transportation.

REGISTRATION & SUBMISSION

The conference organizers are open to all experiment-based studies within the broad area of management accounting, including (but not limited to) the following topics: cost accounting, budgeting, cost management, performance measurement, governance, organizational controls, incentives and compensation, etc. Only full papers can be submitted via e-mail to organizers@exrima.org. The deadline for submissions is March 31, 2019. Decision letters will be sent by April 30, 2019. Non-presenters are welcome and can register via e-mail to organizers@exrima.org. The number of attendees is, however, limited. The fee for lunch, coffee and conference dinner for non-presenters is 80 €.

PROGRAM

July 11, 6 p.m.: Welcome reception and conference dinner

July 12: Paper presentation and discussion

Doctoral students and young post-doctoral researchers may also participate in the preceding *workshop* by Michael G. Williamson. For more information on this workshop (no participation fees) visit www.exrima.org.

PRACTICALITIES
